4. Dr. Shabab Ahmad, Assistant Professor, Department of Social Work, Central University, Shahpur, School of Social Sciences, Kangra
5. Smt. Shashi Chudhary, Lay person
6. Dr. Dinesh Kumar, Associate Professor, Community Medicine –cum- Secretary

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any serious adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is recommended that you shall also register your Protocol on www.ctri.nic.in before starting the project.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.
