No. HFW - H – DRPGMC/ Ethics /2017-34

Dated: 06.07.2017

Approval of Institutional Ethics Committee

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: **IEC/24/2017**) titled “**Assessment of knowledge and motivational level of Accredited Social Health Activist (ASHA) and key stakeholders perspectives under NHM in district Kanga, Himachal Pradesh, India**” submitted by **Dr. Richa Kalia**, Post Graduate Student, Community Medicine, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh, in the meeting of the IEC held on **05.07.2017 at 2:30 PM** in the office of the Member Secretary. The meeting was chaired by *Padmashri Dr. Kshama Metre; Chairperson* with following members;

1. Mr. SP Prashar, Legal Expert
2. Dr. V.K. Mahajan, Professor, Dermatology, Venereology & Leprosy
3. Dr. Rashmi Kaul, Associate Professor, Pathology
4. Dr. Atal Sood, Assistant Professor, Pharmacology
5. Dr. Rekha Bansal, Associate Professor, Pulmonary Medicine
6. Mr. Satya Bhuhsan Sharma, Assistant Professor, Biochemistry
7. Dr. Dinesh Kumar, Associate Professor, Community Medicine –cum- Secretary

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any serious adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

No. HFW - H – DRPGMC/ Ethics /2017-46

Dated: 06.07.2017

Approval of Institutional Ethics Committee

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: **IEC/36/2017**) titled “**The effect of intranasal steroid on nasal mucociliary clearance in allergic rhinitis**” submitted by **Dr. Richa Mehra**, Post Graduate Student, ENT, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh, in the meeting of the IEC held on **05.07.2017 at 2:30 PM** in the office of the Member Secretary. The meeting was chaired by *Padmashri Dr. Kshama Metre; Chairperson* with following members;

1. Mr. SP Prashar, Legal Expert
2. Dr. V.K. Mahajan, Professor, Dermatology, Venereology & Leprosy
3. Dr. Rashmi Kaul, Associate Professor, Pathology
4. Dr. Atal Sood, Assistant Professor, Pharmacology
5. Dr. Rekha Bansal, Associate Professor, Pulmonary Medicine
6. Mr. Satya Bhuhsan Sharma, Assistant Professor, Biochemistry
7. Dr. Dinesh Kumar, Associate Professor, Community Medicine –cum- Secretary

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any serious adverse event occurring during the study
- Final report of the study

It is recommended that you shall also register your Protocol on www.ctri.nic.in before starting the project. The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.
