No. HFW- H DRPGMC/ Ethics /2019/192

Dated: 13.08.2019

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/118/2019) entitled “**Improving the capacity of health system and community for screening and management of some non-communicable diseases among schedule tribes: An implementation research in Lahul and Spiti district, Himachal Pradesh**” submitted by **Dr. Sunil Raina**, Professor and Head, Community Medicine, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh, in the meeting of the IEC held on **09.08.2019 at 2:00 PM** in the office of the Member Secretary.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any serious adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

No. HFW- H DRPGMC/ Ethics /2019/204

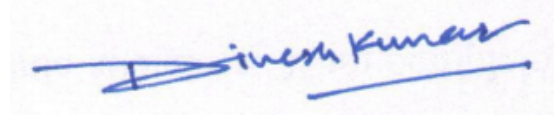

Dated: 13.08.2019

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/130/2019) entitled “**A novel safe reliable and inexpensive technique of plate removal in cases with jammed screws**” submitted by **Dr. Sandeep Kalia**, Associate Professor, Orthopedics, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh, in the meeting of the IEC held on **09.08.2019 at 2:00 PM** in the office of the Member Secretary.

Decision: The committee does not approve the research work to be conducted in its present form due to

- Lack of clarity from methodology which is reflective of retrospective analysis

Please submit the revised proposal

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/131/2019) entitled “**Effectiveness of a counselor in improving treatment compliance in TB Patients**” submitted by **Dr. Raman Chauhan**, Assistant Professor, Community Medicine, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh, in the meeting of the IEC held on **09.08.2019 at 2:00 PM** in the office of the Member Secretary.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

No. HFW- H DRPGMC/ Ethics /2020/006

Dated: 10.02.2020

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/006/2020) entitled “**Etiology & Incidence of Urinary Tract Infection in Febrile Children having Age 1 Month to 5 Years & Correlation between Clinical Features, Routine Examination, Microscopy, Dip Stick & Culture & Sensitivity**” submitted by **Dr. Ankaj Sharma, MD Student**, Department of Pediatrics, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh, in the meeting of the IEC held on **10.02.2020 at 2:30 PM** in the office of the Member Secretary.

Decision: The committee approves the research work to be conducted with the recommendation that the consent form from parents/guardian should be taken.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any serious adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase

No. HFW- H DRPGMC/ Ethics /2020/018

Dated: 10.02.2020

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/018/2020) entitled “**To Study of Autoinoculation Therapy in the Treatment of Molluscum Contagiosum**” submitted by **Dr. Jyotshna Sharma, MD Student**, Department of Dermatology, Venereology & Leprosy, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh, in the meeting of the IEC held on **10.02.2020 at 2:30 PM** in the office of the Member Secretary.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any serious adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

No. HFW- H DRPGMC/ Ethics /2020/030

Dated: 10.02.2020

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/30/2020) entitled “**A Randomized Controlled Trial For Mid Trimester Abortion Using Mifepristone & Misoprostol with & without Foleys Catheter**” submitted by **Dr. Ankita Dadhwal, MS Student**, Department of OBG, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh, in the meeting of the IEC held on **10.02.2020 at 2:30 PM** in the office of the Member Secretary.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any serious adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.
