

Become an American Heart Association certified Advanced Cardiovascular Life Support Instructor

Skills Lab, Dr RPGMC Tanda is conducting an Instructor program for ACLS for the first time in Himachal Pradesh. You have a golden chance to become ACLS and BLS instructor certified by AHA. The program is sponsored by National Health Mission, Himachal Pradesh.

34 slots are available for the basic life support (BLS) cum advanced cardiovascular life support (ACLS) provider course. 10 slots are available for the BLS cum ACLS instructor course. Candidates will have to secure $\geq 97\%$ marks in the provider course exam to be eligible for the instructor course. Provider course will run for 2 days and Instructor course for 2 days.

Applications are invited from the interested candidates for AHA ACLS provider and Instructor courses to be held in the month of May (last week) at Dr. RPGMC Tanda in the prescribed proforma given below.

The selected candidates will be informed telephonically as well as by email. They will be given BLS and ACLS books to prepare for the course in advance. The seats are limited, so decision of the selectors will be final and the remaining applicants will be trained in future trainings

.....Tear from here.....

The course is open for **Doctors, Nurses, and Paramedical staff**
