

**DR. RAJENDRA PRASAD GOVERNMENT MEDICAL COLLEGE, KANGRA AT TANDA.
DEPARTMENT OF OPHTHALMOLOGY**

Number: HFW/DRPGMC/Oph/PG teaching- 2021/

Dated

M.S students' teaching-learning activities roster with effect from June to July2021

There will be pre test/post-test by the moderators for formative assessment in teaching activity whenever possible. It is expected that for case presentations, Journal club, group discussion & tutorial concerned SRs will guide the students actively. To be eligible for PG examination each student has to submit thesis at least 6 months prior to exams, present a paper or poster in a conference and submit a paper for publication. Hence, all are advised to prepare a time line for each activity and seek guidance from consultant and SRs

In case of holiday or some other activity (e.g. examination, guest lecture etc) due to which any teaching-learning activity is not held as scheduled, the same shall be automatically planned for next working day. In case of any exigencies in present times, it is desirable that teaching activity is not cancelled and some other student presents his/her seminar. If a PG teacher is not available, senior consultant shall moderate the activity. Absence from the classes shall not be permitted except for the genuine reasons

and after due information.

JUNE 2021

Monday (Case Presentation)	Tuesday (Journal Club)	Wednesday (Theory)	Thursday (Tutorial)	Friday (Group Discussion)	Saturday (Seminar)	Sunday
Dr Gaurav Sharma	Dr S K Sharma	Dr R Tuli/Dr Gaurav Sharma/Dr S K Sharma	Dr Shallu/Dr Ethi/Dr Vinod	Dr Shallu/Dr Ethi/Dr Vinod	Dr Rajeev Tuli
