No. HFW- H DRPGMC/ Ethics /2023/014

Dated: 14.03.2023

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: **IEC/001/2023**) entitled “Association of endocrine disruptors (plasticizers) with early puberty in Indian children” submitted by **Dr. Anita Devi**, Assistant Professor, Biochemistry, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

No. HFW- H DRPGMC/ Ethics /2023/028

Dated: 06.04.2023

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/015/2023) entitled “Assessing the complications associated with blood donations in a blood center at Tertiary care Hospital of North India: A retrospective data analysis” submitted by **Dr. Anjali Shrikant Chavan**, Assistant Professor, Transfusion Medicine and Blood Centre, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh.

Decision: The committee approves the research work to be conducted in present form

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

Mr. Ashok Raina

No. HFW- H DRPGMC/ Ethics /2023/042

Dated: 20.04.2023

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/020/2023) entitled “Comprehensive analysis of cranial injuries in fatal road traffic accidents” submitted by Dr. Ashirwad Assudaney, Junior Resident, Forensic Medicine, Dr.RPGMC, Kangra at Tanda, Himachal Pradesh.

Decision: The committee approves the research work to be conducted in present form

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.
