No. HFW- H DRPGMC/ Ethics /2023/054

Dated: 05.06.2023

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/041/2023) entitled “Clinical profile, risk factors, prevalence, angiographic distribution and severity of coronary artery stenosis in patients with chronic stable angina in a tertiary care hospital” submitted by, Dr. Swati Mahajan, DNB Student, Cardiology, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

No. HFW- H DRPGMC/ Ethics /2023/071

Dated: 07.07.2023

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: **IEC/059/2023**) entitled “To determine awareness regarding different aspects of perioperative anaesthesia among patients undergoing surgery and their first-degree relatives” submitted by, Dr. Nanish Sharma, Assistant Professor, Anaesthesia, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.
