No. HFW- H DRPGMC/ Ethics /2023/129

Dated: 30.12.2023

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: IEC/112/2023) entitled “Randomized controlled trial to compare the safety and efficacy of desidustat with erythropoietin in adult patients suffering from anemia in chronic kidney disease” submitted by, Dr. Sachin Sharma, Resident, Pharmacology, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh in the meeting held on 28.12.2023.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

No. HFW- H DRPGMC/ Ethics /2023/142

Dated: 30.12.2023

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: **IEC/126/2023**) entitled “To compare the safety and efficacy of oral tranexamic acid & vitamin C with that of intralesional injection of tranexamic acid & vitamin C in patients with melasma” submitted by, Dr. Charu Singh, Resident, Dermatology, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh in the meeting held on 28.12.2023.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

No. HFW- H DRPGMC/ Ethics /2023/156

Dated: 30.12.2023

The IEC of Dr. RPGMC reviewed and discussed the protocol (No: **IEC/154/2023**) entitled “Parotid enlargement due to common krait (*Bungarus caeruleus*) envenomation: A case series” submitted by, Dr. Sujeet Raina, Associate Professor, Medicine, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh in the meeting held on 28.12.2023.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study or Investigator.

It is to be ensured that there shall no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.
