No. HFW- H DRPGMC/ Ethics /2024/16

Dated: 03.04.2024

The IEC of Dr. RPGMC reviewed the amended protocol (**No: IEC/005/2024**) entitled “Postpartum Haemorrhage: The incidence, management and outcomes” submitted by, Dr. Deeksha Singh, Resident, Obstetrics and Gynaecology, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study, or Investigator.

It is to be ensured that there shall be no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

No. HFW- H DRPGMC/ Ethics /2024/30

Dated: 03.04.2024

The IEC of Dr. RPGMC reviewed the amended protocol (**No: IEC/020/2024**) entitled entitled “Nerve conduction studies of peripheral motor and Sensory Nerves in subjects with Pre diabetes” submitted by, Dr. Korada Vivek Naidu, Resident, Medicine, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study, or Investigator.

It is to be ensured that there shall be no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.

Mr. Ashok Raina

No. HFW- H DRPGMC/ Ethics /2024/44

Dated: 03.04.2024

The IEC of Dr. RPGMC reviewed the amended protocol (**No: IEC/038/2024**) entitled “Clinico-radiological evaluation of results of surgical fixation of extra capsular Hip fractures using Proximal Femoral Nailing in Elderly patients above 75 years of age” submitted by, Dr. Akhil Sathyan, Resident, Orthopaedics, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study, or Investigator.

It is to be ensured that there shall be no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.
