Dated: 08.02.2025

The IEC of Dr. RPGMC reviewed the protocol (**No: IEC/143/2024**) entitled “Study of prevalence of fungal sinusitis in patients of nasal polyposis” submitted by Dr. Ajay Jaswal, Resident, ENT, Dr. RPGMC, Kangra at Tanda, Himachal Pradesh.

Decision: The committee approves the research work to be conducted in its present form.

The IEC needs to be informed about;

- Patient information sheet and consent forms duly filled and signed
- Any adverse event occurring during the study
- Final report of the study

The IEC has to be informed and permission taken before any changes in the protocol, patient information sheet, informed consent, Site of Study, or Investigator.

It is to be ensured that there shall be no financial burden on the research participants because of participation in the study and no direct cash incentives are given to the participants.

Please note that members of IEC have the right to monitor the study in any phase.
