

TERMS & CONDITIONS OF BOND FOR ADMISSION TO POST GRADUATION COURSES UNDER ALL INDIA QUOTA AT DRPGMC TANDA FOR THE ACADEMIC SESSION 2025-26 onwards.

As per the Policy for regulating admissions to various Post Graduation and Super Speciality courses in Medical Education applicable in the State of Himachal Pradesh vide H.P. Govt. Notification No.HFW-B(F)4-9/2017-II-L dated 15.10.2025.

Para No. 6.1, "As the Government incurs substantive expenditure on each candidate for doing Postgraduation and also pays them full pay along with all allowances and seniority during the course, every GDO (regular/contract) who have been sponsored to pursue Postgraduation within the State in Government Medical/Dental Colleges shall have to furnish a bond to serve the State for at least **four years including mandatory one year of field posting** after completion of their respective courses. Similarly, in case of GDOs sponsored for Post Graduation **outside the State** on sponsored quota seats of Institutes of National Importance (INI), as the Government pays them full pay along with increments during the course and they are not even serving the State during the course, every such GDO (regular) shall have to furnish a bond to serve the State for at least **five years including one year of field posting** after completion of their respective courses. **Since the direct candidate who pursues Post Graduation within the State** in Government Medical/Dental colleges on State/All India Quota stand on a different footing as they are not entitled to service benefits including full pay (with allowances and increments) and chances of regularisation to which their GDO counterparts are entitled; however, keeping in view the resources expended in their education by the government including payment of stipend, every such direct candidate shall have to furnish a bond to serve the State for at least **02(two) years including mandatory first year of field posting** after completion of their respective courses."

Further, on selection for Senior Residency/Tutorship by the GDO/direct candidates from the Government Medical Colleges/Institutes of the State during the mandatory bond period would lead to extension of the present bond period of the concerned GDO/direct candidates to serve the State till completion of three years of Senior Residency/Tutorship as the case may be. Provided further that field posting shall be exempted for those candidates joining at AIMSS Chamiana (Shimla) after completion on their respective PG courses/degree and the respective period of 01(one) year of their service at AIMSS Chamiana (Shimla) shall be counted as 'mandatory field posting' under the provisions of this policy.

Provided further that such GDOs who get selected as per Clause 6.5, for doing Super Speciality before completion of the bond period of Post Graduation as such in that event the candidate already being bonded to serve the State as per the provisions of this policy for doing Post Graduation for 4/5 years alongwith bond amount of **Rs.40 Lakhs** on such selection for the Superspecialty course will have to furnish an undertaking on judicial paper to serve the **balance/remaining bond period** for doing Post Graduation **alongwith the bond period applicable after doing Super Speciality course** for serving the State as the case may be. For this purpose both the bond periods shall be clubbed together for serving the State for a period equal to **balance/remaining bond period of PG course + mandatory period of bond in respect of Superspecialty course apart from the mandatory one year of field posting** and the candidates shall furnish a fresh bond in the form of legal undertaking to serve the State for the clubbed period failing which the candidate shall have to pay **Rs.90 Lakhs** to the State Government. The candidate shall also furnish an undated cheque from a scheduled bank amounting to **Rs.90 Lakhs** in the name of DHS/DME. The DHS/DME shall be liberty to get the cheque encashed in event of violation of the bond conditions

Para No. 6.2.1 , The Bond shall be non-transferable to Medical Institutes (not owned by the State Government)/Institutes of National Importance (INI) functioning within/outside the State for all intents and purposes. "All the candidates as per **clause 6.1** shall furnish a bond in the form of a legal undertaking to serve the State for prescribed period which should be attested by competent authority not below the rank of Executive Magistrate failing which the candidate shall have to pay the **Rs.40 Lakhs** and in case of clubbed bond period **Rs.90 Lakh** as the case may be to the State Government. The candidate shall also furnish an undated cheque from a scheduled bank amounting to **Rs.40/90 Lakhs** in the name of DHS. The DHS shall be at liberty to get the cheque encashed in event of violation of the bond conditions."

The concerned issuing University/Institution shall be informed about such retention and the candidate shall be debarred from obtaining any duplicate degree. **The original bachelor degree shall be released only after completion of the Bond Period including one year mandatory field posting or after deposition of the requisite amount and this shall be a part of the bond agreement.**"

Para No. 6.2.3 "The candidates shall also furnish undertaking as a part of bond that they shall complete the course prescribed failing which they shall be liable to pay **Rs.10 lakhs + 18% interest per annum** and salary/stipend drawn as the case may be to the State Government for wastage of seat."
